WAVE FOLD

TBS (Aust) Pty Ltd is an Australian owned and operated company which imports, wholesales and provides a made to measure service to the window covering industry. TBS has a focus on working alongside some of Australia’s largest architects, developers, commercial and high street retailers with a view to being able to offer a full suite of products for any type of development.

TBS continues to look for a competitive advantage realising that many architects and end users want to make a statement with their window furnishings. TBS offers the ability to provide custom made solutions for Motorised Curtains and Blinds, Roller Blinds, Aluminium and Timber Venetian Blinds, Pole Sets, Panel Tracks, Vertical Blinds and an extensive range of curtain tracking systems including applications for residential homes, hospitals, aged care, psychiatric wards, theatres and hotel developments.

With this philosophy TBS has expanded to have distributorship or representation in South Australia, Western Australia, New South Wales and Queensland with the market being serviced from our customer service centre in Melbourne and warehouses in Melbourne, Sydney and Brisbane.
