

# Outdoor Conventional Sunblinds

# PROTECT, ENHANCE YOUR HOME & WINDOWS

Hardback conventional Sunblinds have been shading Aussie homes & windows for many decades, keeping the home cooler and protecting your carpet and interiors from the harsh elements.

With an array of options to suit sliding or awning windows, downstairs or upstairs, Hardback Sunblinds have you covered in the warmer months. Fully Australian made and assembled.

Hardback Sunblinds are distinguished by the trusted Colorbond® Pelmet and 5 sided Bottom Rail to suit most home fascia and facades, and covered by our 5 year repair or replacement warranty\*

Upgrade to Stainless Steel hardware as an optional addition for seaside areas.

Stainless Steel Dog Clips are standard on all straight drop blinds. \*conditions apply
